- 241 41" width vacuum** features ProVac technology, 22 ball bearing polyurethane adjustable wheels, dual manifold with handle joining assembly. Includes adapters for 1½" or 2" vac hose Pack 1 R201298

PRO-VAC®

These patented vac heads will clean a pool bottom in up to half the time, even with low flow suction. Unique suction chamber concentrates vacuum velocity from both ends as well front to back. Has metal swivel handle on stainless steel shaft and strategically placed weights for balance and ease of operation. Adjustable wheels increase or decrease vacuum velocity and special flex strips guide debris into exclusive suction chamber. Swivel connection for 1½" vac hose while 2" fits directly on body. Recommended by Service Pros throughout the world.

- 214** **14" Width.** 8Wheels Pack 6 R201276
- 222** **22" Width.** 12Wheels Pack 1 R201286
- 229** **29" Width.** 16Wheels Pack 1 R201296

Each Pro-Vac is assembled with white "short leg" strips for leaves and large debris. A blue "long leg" strip is included for sand, silt and fine debris. Replacements available in 5' lengths.
